New York State Board on Electric Generation Siting and the Environment Postpones June 30, 2022 Meeting

ALBANY – The meeting of the New York State Board on Electric Generation Siting and the Environment, scheduled for Thursday, June 30, 2022, regarding the application of North Side Energy Center, LLC for a Certificate of Environmental Compatibility and Public Need pursuant to Article 10 of the Public Service Law for construction and operation of a solar electric generating facility located in the towns of Brasher, Massena, and Norfolk, St. Lawrence County, is postponed. A notice rescheduling the meeting will be issued in due course.
